## Audition Requirements

All dance candidates are required to have previous dance training in both Ballet and Jazz.

Candidates will initially be auditioned in a master class setting in front of an audition panel beginning with a ballet class.

After the initial audition segment candidates will be moved into smaller groups to evaluate technical ability, overall execution, and performance capabilities. Candidates will be taught short combinations in a group format during this time for evaluation.

The audition panel will be examining how candidates function in a group environment and perform as part of a team.

Note: Dancers are not required to prepare a dance routine in advance.
